

78th MEDICAL GROUP FORMULARY – February 2015

Medications are listed alphabetically by generic name with the exception of combination products

Basic Core Formulary (BCF) items in bold are preferred and available at every military treatment facility (MTF)

See last page for more information [®]restriction information on last page

TRICARE prescription copayments changed February 1, 2015, due to section 702 of the 2015 National Defense Authorization Act. Copayments for generic, brand name and non-formulary drugs through retail are increasing by \$3. Copayments for brand name and non-formulary drugs through home delivery are also increasing by \$3. Copayments for generic drugs through Home Delivery and all drugs at military pharmacies remain \$0. Visit www.tricare.mil/pharmacycosts for more information.

- Medication availability may be subject to change due to wholesaler or manufacturer availability.

CONTROLLED PRESCRIPTIONS

- C-III, C-IV, & C-V medications are honored up to 180 days from the date the prescription was written.
- C-II medications will be filled at the discretion of the pharmacy and cannot be refilled.
- Maintenance medications may be written for up to a 90 day supply with a maximum of 1 refill when requested by the prescriber.
 - C-II medications may not be refilled.
- Providers are reminded to include their DEA number on all controlled prescriptions.

NON-CONTROLLED PRESCRIPTIONS

- Honored up to 365 days from the date the prescription was written.
- Antibiotic prescriptions over 10 days old will be filled at the discretion of the pharmacy.
- May be written for up to a 90 day supply with a maximum of 3 refills.
- We reserve the right to adjust quantities and refills to benefit the patient.
 - Example: 30 day supply with 11 refills may be changed to 90 day supply with 3 refills

HOURS OF OPERATION

- Monday - Friday 0730-1630
- Filling of prescriptions written by civilian providers ends daily at 1600
- Closed weekends, Federal holidays, Family days, and for mandatory training (2nd and 4th Thursday of the month 1100-1630)

OPERATIONS

- To avoid extended wait times, check in to drop off/activate your prescription and then come back. Filled prescriptions are held for up to 5 duty days.
- To transfer medications in, please bring all bottles with refills and allow at least 72 hours.
- Prescriptions may be filled after 75% of the previous days' supply for the same drug/dose has elapsed.
- Wait time is directly correlated to prescription volume.

HOW TO REFILL YOUR PRESCRIPTION

- Call in your refill to 1-478-327-8150 or 1-800-537-2137.
 - Call in before 1400 and it will be available for pick-up after 1500 the next duty day (excluding federal holidays, family days, and mandatory training).
 - For example, if the prescription is called in on Saturday and Monday is a holiday, the prescription will be ready Wednesday after 1500.
- Use TRICARE Online to refill your prescription at: www.tricareonline.com.
- Wait until the time you are told your medication will be ready to come pick up it.
- If used correctly, these policies will result in reduced wait time when picking up your prescription at the pharmacy.
- Call in/online refills are mandatory. No same day refills. Please plan accordingly!
- Tricare Mail Order Pharmacy is available to all beneficiaries. It may be an easier and more convenient option. They may have medications we do not carry. Please refer to www.express-scripts.com/TRICARE for more information and to enroll.

ITEMS NEEDED TO PICK UP OR DROP OFF A PRESCRIPTION

- ALL beneficiaries over the age of 18
 - Patient's military ID (or front and back copy)
- Non-Active Duty members
 - Third Party Collections- electronic update of non-TRICARE/Medicaid/Medicare insurance must occur at least annually

Although medications are provided at no cost to our patients, this service is not free - their service to our country and the American taxpayer pays the bill.

Please consider less expensive alternatives whenever possible when prescribing.
